**NOTICE**  
Room Block  
Deadline  
above

**Anyone interested in GOLF?**

The Bill Roberts public course in Helena is available to us. However, due to a golf league, we would have to start by or before 1:30 pm in order to play 18 holes. They also won't take reservations for tee times more than a week in advance. The rate for 18 holes including cart is \$60. We would normally play on Wednesday, July 20. However, their advanced reservation restriction gives us a very small window to establish a group outing on which we can rely. Therefore, if you want to golf on July 20, please call either Danielle Bolan (406) 431-7753 or Ron Bolan (406) 431-8835 as soon as possible to let them know your intention to play golf as part of our group and be there before 1:30. You can pay at that time.

Clip and mail this portion of registration to address below
